## Financial Policies and Information

**Our commitment** is to provide the very best care to our patients while recognizing the need to limit services to only those that are necessary for each patient. To meet this commitment, we recognize the need for a definite understanding and agreement concerning our patient's health care and financial arrangements for that medical care. Your clear understanding of our financial policies is important to our professional relationship. Please contact our billing office regarding any questions about our fees, financial policies, or your insurance coverage and your responsibilities.

**Professional Fees:** Our fees for medical services are comparable to other similarly trained physicians in the community and reflect the complexity of your specific needs, the physician time dedicated to your care, the specialized nature of the doctor's training and education, supplies, and support costs associated with providing and coordinating your care.

**Insurance:** It is the patient's responsibility to provide us with current insurance information. For verification, please have your current insurance card and photo ID available at every appointment. As a courtesy, we will file claims to your insurance company. Your insurance coverage is a contract between you and your insurance plan. Knowing your insurance benefits – including eligibility and covered benefits is your responsibility; please contact customer service at your insurance company for questions you may have regarding your coverage.

**Patient Balance:** All co-payments and past due balances are due at the time of check-in unless previous arrangements have been made with our billing department. We can extend interest free, short-term financing. Depending upon your balance and the services rendered, we can offer six (6) and twelve (12) month plans. Please contact our billing department to discuss this further. Payment may be made by cash, check, VISA, MasterCard or Discover.

We also provide the option of keeping your credit card on file to use for account balance after insurance processing (upon receiving explanation of benefit) which can include but are not limited to co-payment, coinsurance or deductible. You will be contacted by the billing department of any credit card transactions.

Card Type \_\_\_\_\_ Card # \_\_\_\_\_ Exp. Date \_\_\_\_\_

Failure to comply with these payment policies may result in your account being reviewed to be referred to an outside collection agency.

**Patients without Insurance:** For those patients that do not have insurance coverage, a prompt pay discount can be offered. Please contact our billing department for additional details.

**Cancellations/Rescheduling Appointments:** Once your appointment time has been reserved for you, we trust that you will be present. To assist patients with access to our physicians, our office does require 24 hour notice to cancel/reschedule appointments. If we do not receive such notice, you will be charged \$50 for any missed appointments. Cancellation fees are not covered by insurance and these charges will be your responsibility and billed directly to you.

**Medical Forms (FMLA, Work Comp, etc):** The completion of disability forms, attending physician statements and other supplemental insurance forms require additional physician and staff time. The first form will be no charge to you. A recurring fee of \$25.00 will be charged for additional forms.

**Collection Agencies:** If it becomes necessary to place your account with a third party collection agency due to your non- payment, the account of the person responsible will be turned over to collections.

**Non-Sufficient Funds:** A \$35.00 fee will be charged for each check returned by the financial institution. You may be placed on a cash or credit card payment method following any returned checks and you must pay any balance due immediately.

**Your signature on this page constitutes an agreement to this policy.**

**Please keep in mind our doctors are general and trauma surgeons. There will be times when our doctors may be called out of the office unexpectedly. We appreciate your understanding and patience if this occurs during your appointment time.**

**I have read and understand the financial policy of this practice, and I agree to be bound by its terms. I authorize payment directly to Center of Surgical Specialists, PC, for medical benefits.**
